RESOLUTION OF THE TOHONO O'ODHAM LEGISLATIVE COUNCIL  
(Directing Development of Finance Code and Authorizing Officials to Sign Negotiable Instruments on the Nation's Behalf)

RESOLUTION NO. 06-466

WHEREAS, the Constitution of the Tohono O'odham Nation vests the Tohono O'odham Legislative Council with broad legislative and fiscal powers, including the power “to manage any funds within the exclusive control of the Tohono O'odham Nation, including proceeds derived from lands and resources of the Tohono O'odham Nation” (Constitution, Article VI, Section 1(d)(2)); and

WHEREAS, the Nation's Chairperson is vested by Article VII, Section 2 of the Constitution with the power to “oversee the implementation of all laws, ordinances, resolutions and rules made by the Tohono O'odham Council,” to “exercise all other powers delegated to him by the Tohono O'odham Council,” and to “oversee the administration and management of the government in accordance with an administrative plan adopted by the Tohono O'odham Council” (Constitution, Article VII, Section 2(c), (d), and (a)); and

WHEREAS, although the Legislative Council Budget and Finance Committee is in the process of developing a Finance Code that will clarify the power of various Nation's officials to execute contracts, sign other documents and instruments, and to exercise certain fiscal powers, current law requires that any funds deposited in the Nation's accounts be subject to withdrawal or charge upon checks or other instruments “when made, signed, drawn, accepted, or endorsed on behalf of the Tohono O'odham Nation by any two of the following officers, namely the Chief Financial Officer, the Chairman and Vice Chairman of the Nation” (Resolution No. 190-88, veto overridden by Resolution No. 191-88); and

WHEREAS, as a matter of practice, the Nation has historically issued payroll, per diem, travel, reimbursement, and other checks bearing the signatures of both the Nation's Chairperson and Vice Chairperson; and

WHEREAS, subsequent to the passage of Resolution No. 190-88, the Nation's Chief Financial Officer position was eliminated; and

WHEREAS, with the recent resignation of Vice Chairman Ned Norris, Jr., there is no elected official currently authorized to serve as a second signatory on the Nation's checks as required by law; and
WHEREAS, the position of the Nation's Treasurer remains vacant and significant concerns have been raised concerning the organization, staffing, and performance of the Office of the Treasurer; and

WHEREAS, it is essential to implement internal controls and establish clear lines of authority to prevent incidents of fiscal mismanagement; and

WHEREAS, pursuant to Resolution No. 83-88, “Adoption of Budget and Finance Committee's Plan of Operation,” the Legislative Council Budget and Finance Committee is delegated the power to “review and recommend legislative measures or action to the Legislative Council ... approving the expenditure of public funds or fiscal resources of the Nation” and measures or actions affecting “the establishment of bank accounts for, and the deposit or expenditure of public monies” and funds (Plan of Operation, Section 1(b)(1)); and

WHEREAS, the Budget and Finance Committee has consulted with the full Council, the Nation's Chairwoman, and the Accounting Department concerning the need for authorizing two officials to sign all checks issued by the Nation; and

WHEREAS, based on its review, the Budget and Finance Committee recommends that the Nation's checks and other negotiable instruments bear the signature of both the Nation's Chairperson and Vice Chairperson and that, in the event of a vacancy in the office of the Nation's Vice Chairperson, that such instruments bear the signature of the Chairperson of the Nation and the Chairperson of the Tohono O'odham Legislative Council Budget and Finance Committee.

NOW, THEREFORE, BE IT RESOLVED by the Tohono O'odham Legislative Council that the Budget and Finance Committee is directed, in consultation with the Accounting Department, Office of the Treasurer, and the chief administrative officers of the Nation's three branches of government, to develop a Finance Code to protect the Nation's financial integrity while allowing business to be conducted in an efficient and timely manner.
