What is the Native American Rights Fund?

Founded in 1970, the Native American Rights Fund (NARF) is the oldest and largest nonprofit law firm dedicated to asserting and defending the rights of Indian tribes, organizations, and individuals nationwide. NARF's practice is concentrated in five key areas: the preservation of tribal existence; the protection of tribal natural resources; the promotion of Native American human rights; the accountability of governments to Native Americans; and the development of Indian law and educating the public about Indian rights, laws, and issues.
